

ANTONIO MARIN MONTERO 2008 cedar/CSA-rosewood, Ex-Antonio Malinconico

Marin Montero's famous "Bouchet" model at its best, played in by Antonio Malinconico, who has used it for recording many of his successful CDs as well as in many performances on stage. Everything a discerning guitarist may ask for, and a collector's piece, from the leading guitar maker of Granada.

The instrument is in very good original condition, with some small marks of normal playing wear (see pictures). With case.

Privat sale on behalf of first owner (no VaT), worldwide shipping.

8150,- EUR o.n.o.
